Manufacturer

Brake : CNC rear brake plate Alpha 1 Silver

Description Perfekt produced and excelent looking rear brake plate fitting the 1982 Alpha 1 rear hub (models with single shock).
With this plate you can use your rear wheel with direct fixing angle to the swingarm (not included).
Or you can use your Alpha 1 rear whell with this plate into all other models from 1978 until 1984 and also 1985 (bushings inside have to be mashined up to 20 mm).
It is made from full aluminium looks and works much better than the original one. For a special Maico you must have this part!!!
